What you sell: 5-star reviews on autopilot

- A **table-tent kit + software** that turns happy guests into Google reviews: scan, spin, review.
- Owners see new reviews **in the first weeks** – backed by a **90-day guarantee**.
- The demo takes **90 seconds**: their Google profile beside a competitor, then the phone goes in their hands.

How you get paid – transparent & uncapped

100% of every starter kit

Kits are \$59.99 per tent, with volume discounts at 3+ / 5+. Five tables pay ~ \$250; ten tables pay ~ \$500 day one, paid weekly.

25% of every payment, for life

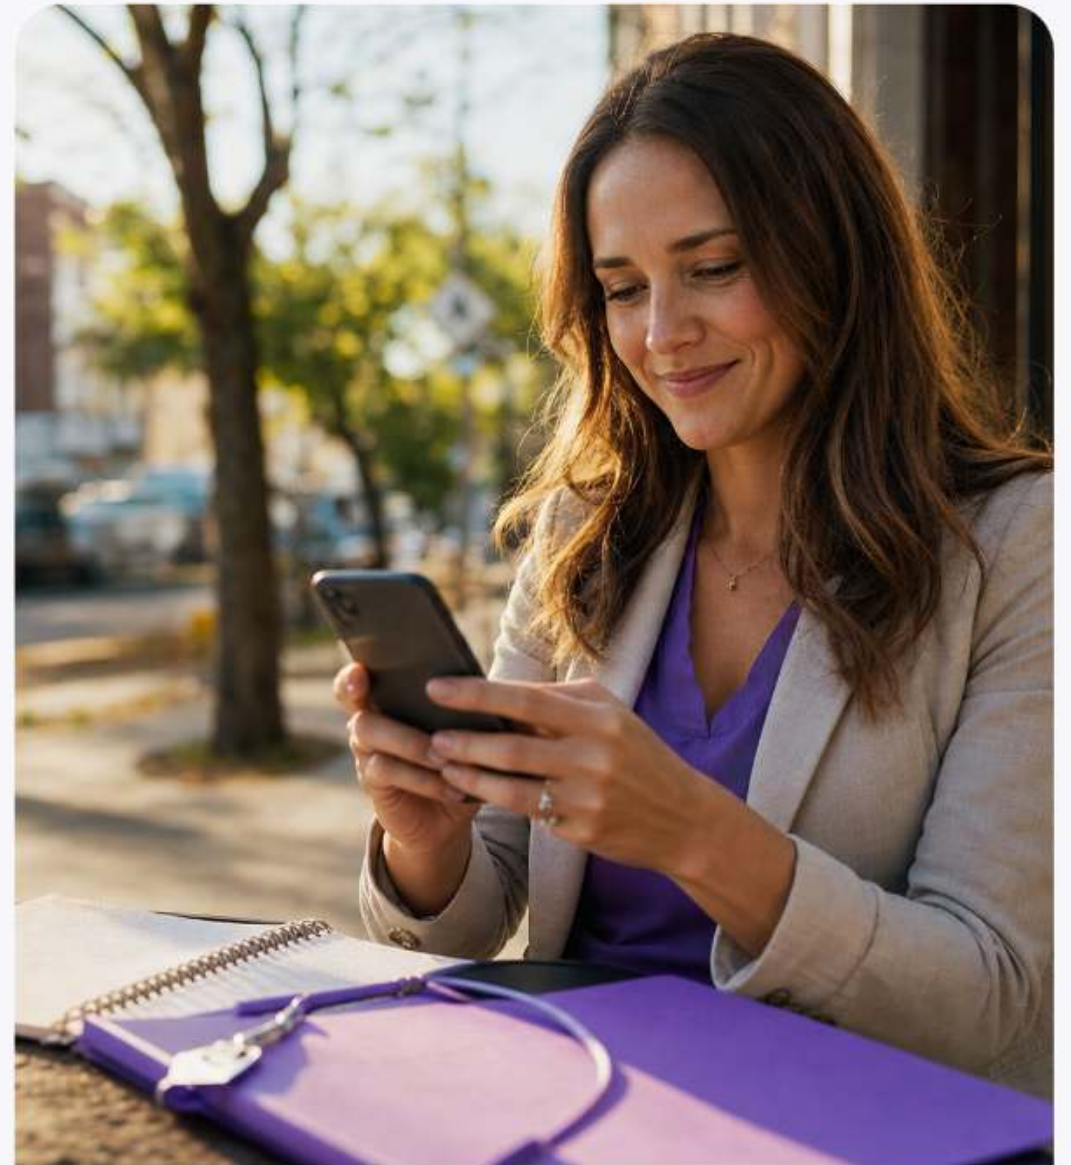

~\$25/mo on the \$99 plan, ~\$50/mo on the \$199 bundle – for as long as the account stays. Paid on the 15th.

Double residuals – first 90 days

Everything signed in your first 90 days earns 2× residuals while you build your book.

Bonuses that stack

+\$25 at month three · 1.25× residuals in a 25+ account quarter
· weekly fast-start · monthly leaderboard cash.

Independent contractor (1099) role. Earnings depend on individual performance and are not guaranteed.

The math, honestly

PACE	SALES / MO	YEAR ONE	MONTH 12
Casual a few afternoons	~8	~\$34K	~\$3K/mo
Part-time steady weekly pace	~15	~\$63K	~\$5.7K/mo
Full-time 1 sale a day	~22	~\$90-95K	\$8-10K/mo

Residuals grow: by month 12, most full-time income comes from the book – not the legs.

Bigger venues, bigger checks: a 10-table close is \$500 in your pocket the same week.

A man and a woman are standing next to a white Tesla Model 3 at night. The woman is leaning against the car, holding a phone, and smiling. The man is standing behind her, also smiling. They are in front of a modern house with large windows and a porch.

Boomerang

40 accounts = Tesla

- Hold **40 active accounts for 3 months** – Boomerang covers a Model 3 allowance (~\$500/mo) while you stay in the club.
- Prefer cash? Take **\$300/mo.** Or bank up to 6 months toward a down payment.
- Wrap it in Boomerang colors and earn an extra **+\$100/mo.**
- Full-time reps typically reach 40 accounts in **2-3 months.**

Fair rules, in writing

Two grace months a year, a soft-landing band and a published off-ramp.

Vehicle lease is held by the rep; Boomerang pays a monthly allowance while club requirements are met. Not a “free car” – full terms provided at enrollment.

Keep clients happy

Stay in the club with ~3 sales a month and accounts that stay active.

Then it gets ridiculous

100 accounts – Islands Club

Bahamas. 10 days. All-inclusive. For two. Every year you hold the line – your +1 is included.

Recognition all the way up

Pins at 10 / 25 / 50 / 100 · leaderboard cash \$300 / \$200 / \$100 · annual awards night from 2027 – ring or cash.

150 accounts – Founders Circle

Model Y (~\$750/mo) + a Maldives-class trip for two + your name on the wall. The #1 Founder gets the suite and business-class seats.

Consistency wins

Trips qualify on active accounts held ≥ 9 of 12 months. Real, paying, active accounts – not one lucky spike.

Your book is an asset you own

- Every venue joins **your book** – a portfolio paying 25-28% of everything it bills, for life.
- After 12 months, sell it back at **up to 12x monthly value**; better retention earns a higher multiple.
- Prefer to keep collecting? Do nothing – **residuals are lifetime**.
- Or **transfer the book to another rep** through the internal marketplace.

\$25-50K+

what a strong first-year book may be worth if you choose to sell

**Keep it. Sell it to us.
Pass it on.**

Most sales jobs leave you with a goodbye. This one leaves you holding something worth real money.

Buyout multiples depend on book retention; full schedule provided at enrollment. Independent contractor (1099) role.
